Dear Mr. Short:

The Department of Transportation (Caltrans) received a bid from Avison Construction, Inc. (Avison) on October 30, 2018 for the above project. Avison listed both Chrisp Company (Chrisp) and Statewide Traffic Safety & Signs Inc. (Statewide Traffic) on the Subcontractors List form to perform 100 percent of the work described as bid item 3, Traffic Control System.

Public Contract Code Section 4106 states in pertinent part:

"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."

If awarded contract 06-0V9804, Avison Construction must perform bid item 3 Traffic Control with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration and compliance.
